

Olmec OP1000 printBOX

Fast, low cost photo printer

The Olmec Print Box is the fast, low cost way to produce photo prints.

Easy to operate, it uses D2T2 digital imaging technology to produce great quality, full-bleed photographs in a few seconds per print – much quicker and cheaper than using an office inkjet printer.

- Photo quality, glossy prints
- 5" x 3 1/2" to 6" x 9" formats
- One of the fastest available 6" x 4" in less than 7 seconds
- Easy to load and operate
- Up to 790 prints from each set of ribbon and photo paper
- Crisp, smear-free reproduction
- USB 2.0 interface
- Windows 2000/XP drivers & SDK
